OBJECTIVE

Aspiring **MERN Stack Developer** with a strong foundation in developing and implementing responsive web applications. Proficient in HTML, CSS, and JavaScript. Eager to apply academic knowledge and hands-on project experience in a collaborative development environment and contribute to real-world software solutions.

EDUCATION

D.Y.PATIL AGRICULTURE AND TECHNICAL UNIVERSITY , TALSANDE.

CGPA – 8.90

MASTER OF COMPUTER APPLICATION

2021-2023

DATTAJIRAO KADAM ARTS SCIENCE AND COMMERCE , ICHALKARANJLI.

CGPA – 9.02

BACHELOR OF SCIENCE (COMPUTER APPLICATION).

2018-2021

SKILLS

Frontend Technologies: HTML, CSS, JavaScript, Bootstrap, React JS

Backend Technologies: Node.js, Express.js

Database: MongoDB

Developer Tools: Git, GitHub, VS code, Postman

Soft Skills: Time Management, Quick Learner, Ability to grasp new Technologies.

PROJECTS

Portfolio Website

Technologies – HTML, CSS, JAVASCRIPT, BOOTSTRAP

- Developed a responsive portfolio website to showcase personal projects and technical skills.
- Implemented a clean, user-friendly interface with dynamic navigation, smooth scrolling, and interactive features.

E-Commerce Web Application (MERN Stack)

Technologies – MongoDB, Express.js, React.js, Node.js, Bootstrap

- Developed a fully functional e-commerce platform with features such as user authentication, product listing, shopping cart, and order management.
- Built RESTful APIs using Node.js and Express for handling user actions, product management, and order processing.
- Designed a responsive and interactive frontend using React and BOOTSTRAP for efficient state management.
- Implemented secure user authentication using JWT, with separate roles for users and admins.
- Created an admin dashboard for managing inventory, updating product details, and viewing order history.
- Managed data using MongoDB, including user profiles, product inventory, and order records.

To Do List Project

Technologies – HTML, CSS, JAVASCRIPT

- The app allows users to create, edit, and delete tasks in real time.
- It features a user-friendly interface with responsive design, local storage for saving tasks across sessions, and functionality to mark tasks as completed.
- Implemented DOM manipulation and event handling in JavaScript for interactive and smooth user experience.

CERTIFICATIONS

- **MERN STACK COURSE – Giris Tech Hub, Pune.**
- **Certified Information Security And Ethical Hacking**
- **Web Development with HTML, CSS And JAVASCRIPT**
